

**America's Preferred Supplier of Quality
Spray Booth Systems and Accessories.**

KAYCO Truck Spray Booth Series

Standard Features

- ▶ Galvanized finish
- ▶ Superior lighting layout
- ▶ Nut & bolt construction
- ▶ Reverse flow

Optional Features

- ▶ Side Draft
- ▶ Down Draft
- ▶ Cross Draft
- ▶ Drive-Thru
- ▶ Heated air make up units
- ▶ Observation Windows in drive-in doors
- ▶ Custom sizes

Designed for painting large vehicles, including 18 wheelers, the Kayco Truck Booth is a reverse flow model that allows filtered air to enter the spraying area through the rear wall and pass horizontally across the work piece. Down draft and side draft configurations are also available to meet a wide range of applications. Optional features to this model include air replacement systems, drive-thru models and observation windows.

Kayco Spray Booths Inc. strives to be your preferred supplier of quality spray booth systems and accessories. Our product line offers a diverse array of spray booth configurations that provide you with a high quality solution at an affordable price.

No solution is the same for every business. The KAYCO line of products is designed to allow custom configuration to meet our customers demanding requirements.

Kayco is dedicated to superior customer service before, during and after the sale.
